You're invited to the annual Trinity/Saint Peter's annual fall picnic at the Phoebe Needles Center on Sunday September 17th following the service. We will begin with worship at 10:00 a.m. at Saint Peter's. Folks at Trinity are providing chicken and drinks and paper goods. Everyone should bring some side dish, drink, or dessert.

The next Center for Lifelong Learning is Tuesday September 12th at 10:00 a.m. followed by lunch. Dr. Gary Collins will be speaking on "Regenesis." Please call the Phoebe Needles Center Office to register for the program, 483-1518.

"Keeping the Rock Church Solid." The Saint Peter's Endowment Fund receives donations every month; memorials to loved ones, from Birthday Sunday, and other donations. The Fund is growing! Our thanks to all who have contributed.

Thanks to everyone who has taken a turn (or two or three) at mowing the lawn at the church - it is much appreciated!!! We still have a few weeks to go and need a few more mowers. Please check the list in the parish hall.

Please remember that Saint Peter's depends on your pledge. If you have forgotten the amount of your pledge for 2023, please contact Andy Buckman at: apbucvkman@gmail.com. Pledge reminders will be sent by email later this month.

On Sunday, September 17, we will have a joint worship service at St. Peter's in-the-Mountains, followed by a picnic at Phoebe Needles with Trinity Rocky Mount. Please plan to join us. More info will be in the the September newsletter.

News, Notes & Faces

Dr. Delia Heck, Ferrum College Professor of Environmental Science, was recently featured on the Episcopal Church's Prophetic Voices podcast. The episode touched on Creation Care, Environmental Racism, and Climate Justice, topics she previously discussed at the 2023 "It's All About Love" Episcopal Festival that took place from July 8-12 in Baltimore, MD.

"I am passionate about issues of climate justice and environmental racism and feel called to integrate my teaching with my work in the Episcopal Church. I learn from and interact with people all around the world which helps inform my teaching and opens doors for my students," Heck said.

"It ensures that I have the latest knowledge and understanding to bring to the classroom. In return, I bring to the church the perspectives of young people and provide avenues for their voices in shaping the vision for the future," Heck continued.

Heck is also a member of the Church's Task Force on Care of Creation and Environmental Racism. They work to respond to the growing threat of climate change, systemic environmental racism and injustice, biodiversity loss, and localized environmental degradation.

We pray for John our priest, Mark our Bishop, and Michael our Presiding Bishop. May their ministries be guided by the grace of the Holy Spirit.

We pray also for all those who were killed this week as a result of war and terrorism, and for families whose lives are being torn apart. Almighty God whose will it is to hold both heaven and earth in the peace of your kingdom: Give peace to your Church, peace among nations, peace in our homes, and peace in our hearts.

The grass continues to grow, probably better than shoveling snow, so let's get out and mow mow, mow, sign up sheet on bulletin board ya know. Thanks.

SAINT PETER'S PRAYER & CARE TEAM

We include in the Prayers of the People each Sunday the names of those people in need of prayer who have made known to the church. As a way of keeping those names before us in prayer, we also have a Prayer Chain at Saint Peter's. This is a group of people who commit to praying for each person on our prayer list on a daily basis. The Prayer Chain updates the list, writing occasional notes to those in our prayers, and relaying needs that might be met by the congregation. The group may also meet occasionally for prayer and discussion.

Please contact Juanita Custer, our Prayer and Care Team coordinator, at hodges_juanita@yahoo.com if you would like to participate.
